**Council Holds Special Meeting Saturday Night
--To Make Canadian Avenue a Beautiful
Driveway--Alleys in Business Section
to Be Paved--Great Work of City
Improvement Continues.**

The city council met in extraordinary session Saturday night and held another busy meeting. All the members were present at the beginning except Councilman Crutchfield. Councilman Wade was compelled to retire early in the session, leaving six members to continue the business.

The contract for constructing a sewer on the west side will be opened for bids after being advertised two weeks.

An ordinance providing for macadamizing and curbing eleven blocks on Canadian avenue was passed. This will make

Canadian avenue the finest driveway and residence street in the city.

An ordinance was also passed providing for the paving of the alleys in the two blocks between Vann and Scraper streets and Illinois and Canadian avenues.

Petitions for building sidewalks in various portions of the city were received and ordinances passed providing for their construction. The transfer of title to land for a road to the cemetery along an extension of Second street was perfected and the driveway will soon be opened.

BURGESS TO ORGANIZE NEW BAND IN VINITA.

I. M. Burgess will organize a band in this city, independent of the assistance of the business men. In the past the band has had to depend upon the liberality of the merchant and poor collectors and has been a failure, and Mr. Burgess plan is to have the boys pay their own way and charge the city or Commercial Club when they need the services of the band. Everyone who plays any sort of band instrument is requested to be at the band room over the post office tonight.
